

WHAT'S IN THE CASE

TWO AIRFRAMES SAME IFT STANDARD

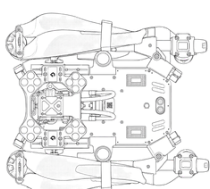

Both aircraft come with a standardized smart dovetail mount, giving you access to a broad ecosystem of swappable payloads. Here's what's included and what you can add.

IF800 TOMCAT

GS-ONE BASE BUNDLE · 1 CASE

& Cable

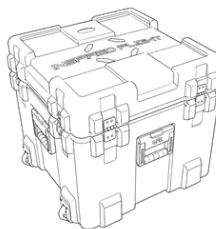

ALSO INCLUDED

Controller Neck Strap · Prop Holders (2) · Quick Start Guide

Contents shown are the GS-ONE base bundles, the standard NDAA / Blue UAS configuration. Herelink bundles are available for non-NDAA programs. The IF800 includes flight batteries and chargers. The IF1200 Battery Kit is required for flight and is purchased separately with the aircraft. IF1200 propellers shown are spares. *The GS-ONE Battery ships pre-installed in the GS-ONE Controller.

CONFIGURE WITH YOUR ORDER

ADD-ONS OPERATORS BUY MOST

IF1200 Battery Kit

REQUIRED

4 batteries, 1 charger, and a protective case to stay flight-ready with backups.

IF800 Battery Kit

4 batteries, 2 chargers, and a case for quick battery swaps on longer field days.

Sentera RTK/PPK Kit

High-accuracy positioning for precision mapping with supported Sentera payloads.

MicaSense Integration Kit

Required mounting and integration system for supported MicaSense payloads on the IF800 and IF1200.

Spare Propeller Set

Replacement propellers to keep on hand for field swaps and mission readiness.

Spare Parts Kit

A set of replacement components for field repairs, routine maintenance, and reduced downtime.

CAPTURE WITH
CONFIDENCE

The field doesn't care about
your schedule. Inspired Care
makes sure that doesn't matter.

PRIORITY SUPPORT Real People, Not a Call Center Reach a real person at IFT HQ. Pro guarantees a response within four hours, Elite within one on a dedicated line.	REPAIRS & BATTERIES Stay in the Air, Not the Shop Downtime costs less. Buy a pair of batteries each year and get a pair free, plus discounted repairs when something breaks.
TRAINING & ONBOARDING Skilled Pilots Fly Safer. A full day of hands-on flight instruction with your new aircraft, at your site or ours.	KEEP FLYING The Work Doesn't Wait on a Repair Rental and replacement-aircraft coverage, so a grounded airframe does not ground the season.

SCAN TO CONNECT

Inspired Care is an annual plan added at the time of aircraft purchase. A limited post-purchase enrollment window is available, subject to approval. Response times are measured during IFT business hours, Monday through Friday, 7 AM to 5 PM PST. Training discounts apply to the course fee only; travel is not included. Rental, replacement, and shipping benefits are subject to availability and to the terms of your plan agreement. Inspired Certify covers inspection and flight test; parts and repairs are billed separately at your plan's discount rate. Benefits are per aircraft and not transferable. Contact your Inspired Flight representative for current terms.
